Subject: *Proposal for Collaboration on Psychological Screening Camps, Workshop, Teacher Training, and Mental Health Awareness Programs*

Proposal for Strategic Partnership Between

Hope Childcare & Rehabilitation Centre

&

Government Arts College, K. K. Shastri Educational Campus

1. Introduction

Hope Childcare & Rehabilitation Centre is a multidisciplinary organization devoted to fostering the emotional, behavioral, and developmental health of children and adolescents. With dedicated departments in psychotherapy, psychometric assessment, and special education, we provide holistic, evidence-based care tailored to young individuals—especially those from underserved communities.

This proposal aims to initiate a collaborative partnership with your esteemed college to conduct **regular psychological screening camps, teacher training workshops, and mental health awareness programs**, thereby nurturing a psychologically supportive college environment.

**(For Educational, Counselling, Empowerment and Awareness Purpose
only, without any legal binding)**

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as “MOU”) is entered into on this 20th day of June 2025, by and between:

1. Government Arts College, Maninagar, Ahmedabad, having its Department of Psychology, dedicated to academic excellence and holistic development of its students, hereinafter referred to as “College”.
2. HOPE Child Care & Rehabilitation Centre, Ahmedabad, an institution engaged in childcare, psychological counselling, rehabilitation, and therapy services, hereinafter referred to as “HOPE”.

Purpose:

The purpose of this MOU is to establish a collaborative partnership between the College and HOPE to organize and conduct activities beneficial for the students of the Psychology Department, as well as to contribute to community welfare through shared expertise, training, and research initiatives.

Objectives & Benefits:

- To provide psychology students with practical exposure and hands-on training in real-life clinical and rehabilitation settings.
- To bridge the gap between academic learning and field applications in child psychology, behavioural therapy, and mental health practices.
- To develop the counselling, research, and therapeutic skills of students through structured programs, internships, and guided fieldwork.
- To jointly create opportunities for social impact by conducting mental health awareness programs, community-based interventions, and counselling sessions.
- To benefit HOPE by collaborating with young psychology learners who can contribute innovative ideas and assist in ongoing projects, research, and community outreach.

Scope of Collaboration:

- Internship and Field Training – Facilitation of practical training, internships, and field visits for psychology students at HOPE.
- Workshops and Seminars – Joint organization of workshops, seminars, and guest lectures on topics related to mental health, child psychology, and rehabilitation.
- Research and Project Work – Collaboration in student projects, research studies, and case studies under expert guidance from HOPE.
- Community Outreach Programs – Conduct awareness drives, mental health campaigns, and counselling sessions for community welfare.
- Skill Development – Training in counselling techniques, rehabilitation approaches, and therapeutic methods to enhance student competency.

Roles and Responsibilities:

Government Arts College, Maninagar:

- Nominate students for internships, fieldwork, Course and training programs at HOPE.
- Provide academic support, supervision, and evaluation of student projects.
- Assist in organizing joint programs and events.

HOPE Child Care & Rehabilitation Centre:

- Offer practical exposure, guidance, and mentorship to students during internships, Course or field visits.
- Provide resource persons, facilities, and technical support for workshops and seminars.

- Collaborate in research and case studies related to psychology and rehabilitation.
- Provide mental health services and counselling support to college students and faculty.
- Offer a 24-hour helpline service for exam-related anxiety and personal mental health issues among students.

Duration and Review:

This MOU shall remain in effect for three (3) years from the date of signing and may be renewed upon mutual agreement.

Any modification or amendment shall be made in writing with mutual consent.

Confidentiality:

Both parties agree to maintain confidentiality regarding sensitive information or case studies encountered during collaborative activities, in accordance with professional and ethical standards.

Financial Implications:

This MOU does not create any financial obligations on either party unless separately agreed upon in writing for specific programs or activities.

Termination:

Either party may terminate this MOU by giving 30 days written notice to the other party.

IN WITNESS WHEREOF, the undersigned, being duly authorized representatives of their respective organizations, have executed this MoU as of the date first above written.
